PART I
GENERAL

Proceedings of the Government of Mysore,

READ AGAIN—

(1) Docket No. 758—469, dated 16th March 1896, from the Deputy Commissioner, Chitaldrug district—

Has the honor to state that in the English Department of this office copies of the *Mysore Gazettes* from the year 1872 are kept unbound.

2. The undersigned considers it not necessary to preserve Part II in English and all parts in Kanarese. Sanction is requested to destroy them and to get the remaining parts bound into volumes of convenient size

(2) Docket No. 11144—1603, dated 30th March 1896, to the Deputy Commissioner, Chitaldrug district—

In reply to the above, has the honor to state that it is undesirable to destroy any portion of the *Gazette*. The Deputy Commissioner may, if necessary, get the Kanarese portion of the *Gazette* bound separately from the English portion.

READ—

Letter No. 445—424, dated 1st December 1898, from the Deputy Commissioner, Chitaldrug district—

With reference to docket No. 11144—Mis. 1603, dated 30th March 1896, I have the honor to request that the order therein conveyed, regarding the preservation of all Parts of the *Mysore Gazette*, may kindly be reconsidered I beg respectfully to submit that matters contained in Part II are of evanescent interest, and that Part need not be preserved for more than two years. The Kanarese portion may also be preserved for a similar period and older portions destroyed This measure will clear the records of a large mass of paper which is not wanted for reference and will make room for records of permanent utility.

No. 8058-92—Mis. 1814, DATED BANGALORE, 10TH JANUARY 1899.

ORDER THEREON.—Communicated to the Deputy Commissioners of districts (except Chitaldrug) and to all Heads of Departments, for opinion as regards the proposal contained in the last of the letters quoted above.

2. It should also be stated in what cases the supply of Kanarese copies of the *Mysore Gazette* may be dispensed with in future.

C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

To—The Deputy Commissioners of Districts.

READ—

Letter No 1960, dated 9th January 1899, from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, submitting for sanction an estimate for Rs. 422 for flooring with Cuddappa stone slabs certain sheds in the Epidemic Diseases Hospital now under construction at the Kolar Gold Fields.

No. 8363-64—Mis. F. 8-98, DATED BANGALORE, 18TH JANUARY 1899.

ORDER THEREON.—The estimate for Rs. 422, received with the above, is sanctioned in continuation of the estimate for Rs. 4,135 2-9 sanctioned in Government Proceedings No. 7477-78—Mis. F. 8-98, dated 17th December 1898.

2. From the Deputy Commissioner's letter to the address of the Senior Surgeon No. 2360—1717, dated 12th December 1898, it appears that it is proposed to have a corrugated iron shed for servants. This is not, however, included in the present estimate, and it is presumed a separate communication will be made to Government on the subject if the proposal is accepted by the Senior Surgeon.

C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

To—The Senior Surgeon and Sanitary Commissioner with the Government of Mysore, returning original enclosures.
The Comptroller to the Government of Mysore, with copy of the estimate.

No. B.—Pg., DATED BANGALORE, 8TH JANUARY 1899.

ORDER.—For the purposes of plague administration the City of Mysore will be placed under a Chief Plague Officer.

2. It will be divided into such number of wards as may from time to time be found necessary. To meet immediate requirements, it will be divided into three wards. Each ward will be in charge of a Civil Officer to be styled "Ward Officer." He will be provided with a separate office within his ward, where he and his subordinates would be readily accessible to the inhabitants of the ward at all reasonable hours. He will be given such clerical establishment as the Plague Commissioner may consider necessary. The Plague Commissioner is requested to report the cost of the establishment required. The Ward Officer will be assisted by a Medical Officer of the grade of Assistant or Sub-Assistant Surgeon and two Hospital Assistants under him. The Senior Surgeon will tell off the medical officers required.

3. The disinfection work of the City will be under the control of a Disinfecting Superintendent to be nominated by the Deputy Commissioner. He will be provided with a central depôt for the storing of disinfectants, &c., as in Bangalore. He will be assisted by an Assistant Superintendent and given such establishment of Inspectors and coolies as the Deputy Commissioner may consider necessary.

4. A Medical Officer will be appointed as Inspecting Medical Officer for Mysore City Station. He will be in charge of the inspection of all arrivals into and departures from Mysore City, and he will be in charge of the disinfection operations at the station.

5. The Erangere Plague Camp will be placed in charge of a Special Medical Officer, who will be called the Superintendent of the Camp.

6. The President of the Municipal Commission, Mysore City, will take immediate steps for the erection of two Hospitals at Erangere Camp, similar to those lately built at the Magadi Road Camp, Bangalore, one for males and one for females, each to accommodate not less than 15 patients.

7. In continuation of Government Proceedings No. 15460-61—Mis. F. 21-96, dated 26th May 1898, sanctioning the appointment of watchmen for the 11 burial and burning grounds, the appointment of an additional watchman on the same pay at each of the burial and burning grounds is sanctioned. An Inspector to supervise the said grounds is also sanctioned. The President will report the pay he proposes to give to the Inspector.

8. The following appointments of officers with allowances in addition to their substantive pay are sanctioned, and the officers concerned should enter upon their duties at once:—

1	Mr. P. R. W. Wetherall, Sub-Division Officer.	To be Chief Plague Officer, Mysore City.	A plague allowance of Rs. 200 per mensem from 1st November 1898.
2	Mr. P. S. Atchyuta Row, L. M. S., Civil Surgeon, Mysore.	To be Health Officer, Mysore City.	A plague allowance of Rs. 150 per mensem from 1st November 1898.
3	Mr. Mahomed Jaffer ..	Ward Officers, Mysore City.	A plague allowance of Rs. 100 per mensem from date of assuming charge of duty as Ward Officers.
4	Mr. A. Ananda Row ..		
5	Mr. Mahomed Usman, L. M. S., Assistant Health Officer, Bangalore.	Medical Superintendent, Erangere Plague Camp.	An allowance of Rs. 100 in lieu of Rs. 50 sanctioned in Government Proceedings No. Pg. 489-500, dated 19th November 1898.
6	Mr. Lakshmanasamy, L. M. S., Assistant Surgeon.	Inspecting Medical Officer and Officer in charge of Railway Disinfection Camp.	An allowance of Rs. 60 per mensem.

9. Mr. T. V. Kuppusamy Mudaliar, Assistant Surgeon, will be in temporary medical charge of the Mysore district until further orders, and will relieve Mr. P. S. Atchyuta Row at once.

10. The Ward Medical Officers will draw the allowances sanctioned in Government Proceedings No. Pg. 489-500, dated 19th November 1898.

Endorsement No. 4801, dated the 16th December 1898, from the Plague Commissioner in Mysore, forwarding, in original, letter No. 256, dated the 9th idem, from the Ward Officer, No. 1 Ward, Bangalore City, with the endorsement of the Chief Plague Officer, stating that, in addition to his duties as Assistant Health Officer, Mr. Abboy Naidu, Assistant Surgeon, has been doing the duties of a Ward Officer, and recommending the grant of a consolidated allowance of Rs. 100 per mensem for performing the combined duties of Assistant Health Officer and Ward Officer.

No. Pg. 815-6, DATED BANGALORE, 9TH JANUARY 1899.

ORDER THEREON.—Government consider it undesirable to encourage amalgamation. There is enough work for a Ward Officer without his medical duties, and *vice versa*. From the date Mr. Abboy Naidu was appointed Ward Officer he will be given an allowance of Rs. 100 per mensem, his smaller medical allowance being merged in the larger allowance thus specially sanctioned.

Government Proceedings No. 182—M. F. 21-96, dated the 4th July 1898, stating that every endeavour should be made to submit communications in connection with the issue of Notifications prohibiting arrivals from infected areas in India during the progress of fairs and festivals in Mysore, so as to reach the Government at least one month before the commencement of the fair or festival in question.

2. Endorsement No. 4451, dated the 5th December 1898, forwarding copy of letter No. 247—P., dated the 3rd idem, from the Deputy Commissioner, Hassan district, requesting issue of a Notification prohibiting persons from infected areas from visiting Ramanathapur in the Arkalgud taluk, Hassan district, on the occasion of the car festival of Subramanyaswamy to be held on the 18th December 1898.

3. Letter No. 619, dated 6th December 1898, from the Secretary to the Government of Mysore to the Plague Commissioner in Mysore, stating that the Deputy Commissioner, Hassan district, does not seem to have ascertained before hand the dates of fairs and festivals occurring in his district as required in Government Proceedings referred to above, and that Government will be glad if the Plague Commissioner will call upon the Deputy Commissioner for an explanation as to why the present reference was not made earlier so as to allow of measures being taken to secure wide publicity for the prohibition of the said jatra outside the State.

4. Letter No. 293, dated 1st January 1899, from the Deputy Commissioner, Hassan district, to the address of the Plague Commissioner in Mysore.

In reply to your No. 4563-70, dated the 7th instant, calling for an explanation in the matter of not sending timely requisition for the publication of a Notification prohibiting all arrivals from infected areas visiting Ramanathapur in the Arkalgud taluk on the occasion of the jatra of Subramanyaswamy. I have the honor to state that the Amildar appears to have laboured under a misconception that the list he had sent in compliance to the orders issued from this office as required in your Circular No. 1801-1808, dated 12th September 1898, would suffice.

He ought to have made a separate report two months before the date of the jatra as enjoined in this office Circular No. 1, dated 11th July 1898, which was issued in accordance with Government Proceedings No. 182—Mis. F. 21-96, dated 4th July 1898.

There were no visitors from infected tracts to the jatra.

All Amildars have again been instructed to submit their reports two months previous to the date of the jatras or fairs taking place in their taluks, so as to enable this office to make timely requisitions one month previously as required in the Government Proceedings quoted above.

No. Pg. 817-25, DATED BANGALORE, 9TH JANUARY 1899.

ORDER THEREON.—Recorded and communicated to the Deputy Commissioners of Districts with a request that all possible endeavours may be made in future to submit communications of the kind referred to above so as to reach the Government *at least* one month before the commencement of the fair or festival in question.

I have the honor to forward herewith copies of letters Nos. 208 and 255, dated 31st December 1898 and 9th January 1899, respectively, from the Chief Plague Officer, Bangalore City, and also this office docket No. 5750, dated 10th January 1899, addressed to the Chief Plague Officer, regarding the proposals for the re-organisation of the Disinfecting and Transport Staffs, which I have approved, subject to the following modifications:—

(i) Two Officers, a Superintendent and an Assistant Superintendent, should amply suffice to superintend, under the Chief Plague Officer, the whole disinfection and transport work of the city.

(ii) To assist the Chief Plague Officer in the additional clerical work involved, two clerks may be sanctioned, but the rates of pay suggested by him are Rs. 30 and Rs. 25 each, which are far too high. Sanction has, however, been accorded by this office to his entertaining two hands on Rs. 25 and Rs. 15.

(iii) A proposition statement showing the existing establishment, and the establishment sanctioned by the undersigned, in anticipation of Government sanction, is herewith forwarded.

(iv) The Chief Plague Officer has been asked to bring the scheme into force with as little delay as possible, and I request you to obtain the early sanction of Government for the same.

ENCLOSURES TO THE ABOVE.

1. Letter No. 208—En. 2, dated 31st December 1898, from the Chief Plague Officer, Bangalore City, to the Plague Commissioner in Mysore.

In continuation of my letter No. 1594, dated 4th November 1898, submitting proposals for the re-organisation of the Disinfecting and Transport Staffs and placing them directly under the orders of an Officer specially appointed for the purpose, to which sanction was accorded at a meeting held in the Plague Commissioner's bungalow towards the end of the same month, I have the honor to report that from want of telephonic communication with the Central Stores, situated at the north gate of the Fort, I have been hitherto able to give effect to a part of the scheme, *viz.*, the withdrawal of the Disinfecting Staff from the Ward Officers' control and transferring it to that of the Chief Superintendent for disinfection. Mr. P. E. Benson is appointed to the latter office. The change was brought into force on the 8th instant.

2. Since then, the Stores and the Chief Disinfecting Superintendent's office have been connected by telephone, and I now propose to give full effect to my proposals with the alterations as noted below necessitated by a considerable increase in the work of disinfection in the town on the one hand and a considerable diminution in the transport work, on account of the gradual subsidence of the disease, on the other.

3. I have to request that early sanction may be accorded so as to enable me to give immediate effect to these proposals.

4. The alterations are:—

	Total ...	1,939				

NOTE.—I do not mean to employ the above Transport staff fully, considering that plague has now considerably subsided; but I solicit sanction to avoid a fresh reference should any necessity arise.

Disinfection.—At first, 16 units each consisting of (1) head gangman (4) gangsmen and (1) hand cart were proposed: the work expected to be done then was the disinfection of plague-affected houses only. Under Government Notification No. Pg. 521-3, dated 23rd November 1898, it is ordered that all deserted houses must be disinfected before re-occupation, besides plague-affected houses; hence arises the necessity for doubling the number of units, *viz.*, from 16 to 32 carts with bulls are proposed, as hand carts are not suitable for chlorine water, the disinfectant lately introduced. The additional Superintendent and Inspectors are proposed for the same reason. Mr. C. Jennings of the Chief Court, now lent to Plague Department, is placed on this duty in addition to Mr. E. Pritchard, whose appointment was sanctioned by Government (*vide* Proceedings No. 4922-3, dated 20th December 1898).

Transport.—Forty ambulance and 20 corpse units were provided; each unit consisting of a cart and bull and two men, excepting 20 ambulance contact units, for each of which one man only was provided. One Assistant Superintendent and six Inspectors were also proposed. I now propose to employ 20 ambulance and ten corpse units, requiring 60 coolies and toties and 30 bulls and carts, with one Assistant Superintendent and one Inspector only. The former Officer will also be in immediate charge of the Stores. To meet urgent calls, one ambulance and one corpse unit will be always kept at each ward.

6. Both the staffs will be under the orders of the Chief Superintendent, who shall be provided with an Office establishment of two clerks, one on Rs. 30 and another on Rs. 25, and four orderlies each on Rs. 8.

7. Now that plague has considerably lessened and that the disinfection and transport are undertaken by a separate agency, the work of the Ward Officers is considerably lightened, and it is only fair that corresponding reductions should be made in the establishments hitherto allowed them (*vide* Proposition Statement). The Head Clerk will assist in taking the mahazar and keeping account and charge of property removed from the plague-affected houses, thereby doing away with the Inspectors now maintained for the purpose.

II. Letter No. 255, dated 9th January 1899, from the Chief Plague Officer, Bangalore City, to the Plague Commissioner in Mysore.

With reference to docket No. 5527, dated 6th instant, I have the honor to state that I propose to employ only two Assistant Superintendents on Rs. 80+20 each, *viz.*, one for disinfection and the other for transport. In the proposition statement submitted with my No. 208, dated 31st ultimo, I have shown two for disinfection including Mr. Jennings whose services are lent from the Chief Court for plague duty, and as such his pay would not be a new charge to Government. I propose Mr. Donoghue, who is already appointed Store-keeper on Rs. 50, for the post of the Transport Assistant Superintendent on Rs. 80+20, Mr. E. Pritchard being the Assistant Superintendent of Disinfection. Both these officers will be directly under me, as it is ordered that Mr. Benson may be relieved of his present office.

I have to request the favor of early orders on the subject.

III. Docket No. 5750, dated 10th January 1899, from the Plague Commissioner to the Chief Plague Officer, Bangalore City.

Has the honor to state that his proposal contained therein to appoint Mr. Donoghue, as Assistant Superintendent of Transport, if he deems actual necessity for such an appointment to exist and does not consider an Inspector sufficient for the work, is approved.

Re Mr. E. Pritchard, the undersigned has urgent need of his services as Disinfection Superintendent in Mysore City and requests that he may be ordered to join at Mysore City forthwith. Mr. Pritchard, Junior, who has been sent for from Madras may be appointed in his brother's place. Mr. P. E. Benson may remain on in charge of disinfection until Mr. Pritchard, Junior, can relieve him. Mr. Jennings may be utilized as Assistant Superintendent under Mr. Pritchard, Junior, provided no extra expense is thereby laid on the Government.

Letter No. 2147—200, dated 9th December 1898, from the Inspector General of Police in Mysore, requesting, with reference to this office docket No. 6757—J. 715, dated 29th November 1898, that a distinct ruling may be made regarding the applicability of Act V of 1861 to the Bangalore City.

No. 7822—J. 845, DATED BANGALORE, 4TH JANUARY 1899.

ORDER THEREON.—As regards the question raised in the above, it is observed that Act V of 1861 was applied to "the District of Bangalore (including the town and cantonment of that name)" by the Foreign Department Notification No. 385, dated 11th December 1866, and that in 1872 "Rules for the organization and regulation of the Village and Regular Police" were issued in Foreign Department Notification No. 230 J., dated 16th October 1872. It was, however, directed in Notification No. 322 I. J., dated 19th November 1879, that "nothing in Notification No. 230 J., dated 16th October 1872, shall be deemed ever to have applied to the town and cantonment of Bangalore" and on the other hand, with reference to Notification No. 385, dated 11th December 1866, that "the said town and cantonment of Bangalore shall, for the purposes of Act V of 1861, be deemed to be the local jurisdiction of the Magistrate of the District."

2. The effect of the last mentioned Notification was, it will be seen, to restrict the applicability of the *Police Act V of* 1861 to the town of Bangalore, the *Police Rules* being the law applicable to the rest of the Province.

3. The Inspector General of Police will be informed accordingly.

2. The following replies from the Deputy Commissioners, submitting the lists called for:—

(1) Letters Nos. 1657, dated 25th June 1898, 244, dated 22nd August 1898, and 395, dated 26th September 1898, from the Deputy Commissioner and District Magistrate, Bangalore.

(7) Letter No. 302—21, dated 28th August 1898, from the Deputy Commissioner and District Magistrate, Shimoga.

(8) Letter No. 265, dated 18th November 1898, from the Deputy Commissioner and District Magistrate, Kadur.

No. 7933-40—J. 876, DATED BANGALORE, 7TH JANUARY 1899.

ORDER THEREON.—The replies read above contain recommendations in favor of a very large number of persons. The Deputy Commissioners of Kadur and Hassan propose as many as 126 and 80 persons, respectively, while the numbers proposed by some of the other Deputy Commissioners are also considerable.

2. Government, therefore, regret their inability to accede to the recommendations made in favor of the very large number of persons specified in the lists now submitted, which seem to require careful revision and considerable curtailment in view to the special concession being limited to a selected few.

3. In the case, however, of the Gurus of Matts included in the lists, orders will be passed on the receipt of a report from the Muzrai Superintendent to whom the matter will be referred for opinion.

Letter No. 522 J., dated the 10th January 1899, from the Inspector General of Prisons in Mysore to the Secretary to the Government of Mysore.

With reference, to Government Proceedings and Order thereon No. 7205—J.786, dated 12th December 1898, I have the honor to forward copy of letter No. 356, dated 23rd idem, from the Superintendent, Mysore Jail, for information and necessary sanction of Government, to the appointment of 12 convict Warder guards and to the scale of gratuities proposed therein in accordance with Rule 420 of the Madras Code, which I consider a very reasonable remuneration.

Letter No. 356, dated 23rd December 1898, from the Superintendent, Mysore Jail, to the Inspector General of Prisons in Mysore, Bangalore.

In reply to your docket No. 498—J. of 17th instant, I have the honor to state that according to present requirements of the jail at least 12 convict warders will be necessary. I would recommend the adoption of the scale of gratuities as laid down in Section 420 of the Madras Code, *viz.*—

1st grade	...	...	...	One rupee.
2nd do	.	...	...	Annas twelve.
3rd do	..	.	..	Annas eight.

which is by no means an excessive remuneration for the duties and responsibilities required of this class of convict officers.

2. The instructions of Government in their Order No. 7205—J. 786, dated the 17th December 1898, as to the selections of convicts for the convict warder guard will be most carefully followed.

3. The difficulty as to the attendance of free warders is already beginning to be felt; and therefore in anticipation of your kind sanction I shall inaugurate the system of convict warder guarding at once.

No. 8536—J. 958, DATED BANGALORE, 24TH JANUARY 1899.

ORDER THEREON.—The appointment of 12 convict Warder guards for the Mysore Jail, and the scale of gratuities recommended by the Inspector General of Prisons, are sanctioned.

RESOLUTION.

No. 4724-S. R., Simla, the 28th October 1898.

Read the reports of the Registrars of Joint Stock Companies on the working of the Indian Companies Act VI of 1882, during the official year 1897-98, received with the letters noted below :—

From the Chief Commissioner, Assam, No. 340-Mis.—3839-G., dated the 16th May 1898.

From the Secretary for Berar to the Resident, Hyderabad, No. 144, dated the 21st May 1898.

From the Government of Burma, No. 378—5 C.-1, dated the 21st May 1898.

From the Chief Commissioner, Ajmere-Merwara, No. 637.-317, dated the 16th June 1898.

From the Government of the Panjab, No. 30, dated the 24th June 1898.

From the Government of the North-Western Provinces and Oudh, No. 548—VII—117 B., dated the 14th July 1898.

From the Government of Madras, No. 1091, dated the 15th July 1898.

From the Chief Commissioner, Central Provinces, No. 5287, dated the 23rd July 1898.

From the Chief Commissioner, Coorg, No. 1394, dated the 26th July 1898.

From the Government of Bengal, No. 1882-P., dated the 2nd August 1898.

From the Resident in Mysore, Nos. 3214 and 3787, dated, respectively, the 30th June and 4th August 1898.

From the Government of Bombay, No. 5660, dated the 3rd September 1898.

The number of companies and the capital invested in them stood as follows at the end of each of the last four years :—

	1894-95.	1895-96.	1896-97.	1897-98.
Number of companies ...	1,204	1,309	1,596	1,572
Nominal capital, Rx ...	38,158,518	41,891,447	49,562,286	50,139,637
Paid-up capital, Rx ...	27,668,773	29,387,279	31,156,559	33,123,322

There was a slight decrease in the year of 24 in the number of companies, being at the rate of 1·5 per cent, and a slight increase of Rx 577,351 in the nominal capital, being at the rate of 1·16 per cent; the increase in paid-up capital was Rx 1,966,763, being at the rate of 6·31 per cent.

The changes made in the year, which produced the results shown above, were :—

(1) the capital of 193 companies was increased by (nominal) Rx 494,214 (paid-up) Rx 2,600,302;

(2) the capital of 32 companies was reduced by (nominal) Rx 15,000 (paid-up) Rx 104,296;

(3) 203 companies with a nominal and paid-up capital of Rx 2,983,088 and Rx 886,153, respectively, ceased to work; and

(4) 179 new companies with a nominal and paid-up capital of Rx 3,081,225 and Rx 356,910, respectively, were registered during the year.

2. The following table shows the number of companies and the amount of paid-up capital in each of the provinces in the last two years :—

Province.	Number of Companies.		Paid-up Capital in Rx.		Increase or decrease per cent in Capital in 1897-98.	Provincial proportion of paid-up Capital to all paid-up capital in 1897-98.
	1896-97.	1897-98.	1896-97.	1897-98.		
Bengal	761	686	13,929,760	14,112,025	+ 1·31	42·6

Ajmere-Merwara	8	10	75,720	81,891	+ 8·15	·25
Total ...	1,596	1,572	31,156,559	33,123,322	+ 6·31	100

The total net increase in paid-up capital was Rx 1,966,763 : in Bombay Rx 1,289,054, in Bengal Rx 182,265 and in Madras Rx 389,810. Bombay and Bengal between them have 84 per cent of the whole paid-up capital.

3. The largest number of companies is registered in Bengal ; but the following figures show that the average capital of each company stands highest in Bombay and is relatively low in Bengal :—

	1895-96.	1896-97.	1897-98.
	Rx.	Rx.	Rx.
Bombay	39,550	37,871	39,611
Central Provinces	22,167	25,501	26,208
Bengal ..	23,170	18,305	21,189
North-Western Provinces and Oudh.	17,511	18,431	18,789
Panjab ...	20,106	17,736	15,096
Burma	10,714	11,510	10,418
Madras ..	9,406	7,974	7,945

4. As has been observed in previous resolutions the comparative smallness of the average capital in Bengal is accounted for by the recent and remarkable development of so-called "provident" Companies. No less than 414 such companies have been registered since 1893 with an aggregate paid-up capital of only Rx 8,857, giving an average of Rx 21 to each company, while as many as 291 have no paid-up capital at all. In 1896-97, 208 companies of this class were registered, but last year the number fell to 27, and at the same time 114 companies which had been registered in previous years were driven into liquidation owing to their capital being insufficient and their business being carried on in complete disregard of recognised actuarial principles. In Madras there were 49 Mutual Loan companies registered last year with a nominal capital of Rx 261,050, of which Rx 15,830 was paid-up. Out of 54 provident societies registered in Bombay 53 were limited by guarantee. The total number of these companies working at the end of the year was 86, of which 83 were limited by guarantee. The Registrar of Bombay observes that the prevalence of plague has given some impetus to these companies which require no capital to start them. The actual expenses are recouped from current funds, and the promoters and managers receive as their commission from 25 to 35 per cent on the gross receipts.

5. In the resolution reviewing the reports for 1896-97, the Government of India invited the attention of the local Governments to the necessity of enforcing all the requirements of the law in the case of such companies. Special reports on their working have been received from the Governments of Madras and Bombay and Bengal and the question whether it is necessary to legislate for the protection of shareholders and members of mutual benefit societies is now under consideration.

6. The following table shows the distribution of the aggregate capital in the principal classes of joint stock enterprise :—

(i) There is a striking contrast between the nominal and the paid-up capital of insurance companies. Most of these are the so-called provident or mutual aid societies to which reference has already been made.

(ii) Over 49 per cent of the paid-up capital is invested in mills and presses, chiefly for working or pressing cotton, jute, wool, and silk. The greater number of these are registered in Bombay, that Presidency representing under this head a paid-up capital of Rx 10,519,847, being nearly two-thirds of the whole, most of it invested in cotton mills and presses. Rx 3,803,050 represent the paid-up capital invested in mills and presses registered in Bengal, a large number of them being jute mills and presses.

The error of classification made by including printing presses under "Mills and Presses," which was noticed in the Resolution reviewing the reports for 1896-97, has been repeated in some of the local reports. Presses here mean screws and presses for the baling of cotton, jute, or other material. Printing presses should be classed under trading companies.

(iii) The paid-up capital invested in banking, loan, and insurance companies amounts to Rx 4,409,667, of which Rx 2,521,803 are in Bengal and Rx 1,164,580 in Madras.

(iv) Trading companies have a paid-up capital of Rx 5,207,211, of which Rx 1,061,666 are invested in coasting and river steamer companies, and Rx 1,424,986 in railways and tramways. The bulk of the railway and tramway capital is invested as follows:—

	Rx.
Bombay Tramways	309,825
Darjeeling-Himalayan Railway .. .	175,000
Tarkessar Railway	175,000
Rangoon Steam Tramway	60,000
Powayan Steam Tramway	29,450
Deograh Railway	27,500
Bengal Provincial Railway	84,590
Tezpur-Balipara Tramway . ..	40,000
Ahmadabad-Prantej Railway . .	174,260
Bengal District Road Tramways	98,664
Tapti Valley Railway	249,390

The last Company in the list is an addition made in the year.

(v) In tea, coffee, and other plantations Rx 3,345,568 of paid-up capital are invested, of which Rx 3,115,399 are held in Bengal, most of the tea companies owning gardens in Northern and Eastern India being registered in Calcutta.

(vi) Of the Rx 1,977,591 invested in mining and quarrying companies, Rx 1,771,210 are in companies registered in Bengal, of which Rx 1,104,008 are in coal-mining companies, and about Rx 444,500 in gold-mining companies.

7. There was a substantial expansion in the paid-up capital applied to the manufacture of cotton and jute and to navigation, railways, and mining. In the capital applied to the planting of tea and coffee there was a decrease; but in most other directions there has been an augmentation of capital.

8. The following table shows, so far as reported, the total number of joint stock companies at work in India with their nominal and paid-up capital as it stood at the end of each of the last fourteen years:—

Year.	Companies at work.	Nominal capital.	Paid-up capital.	Increase or decrease of paid-up capital.

9. The statistics of companies limited by guarantee show that there were 134 such companies at the close of 1896-97, and that, with the addition of 93 companies registered in 1897-98 and the deduction of 13 companies which ceased to work during the year, there were 214 such companies at the close of the year. A large proportion of these companies are provident societies registered in Bengal and Bombay, to which reference has been made in preceding paragraphs.

10. The fees realised and the expenditure in each province last year were :—

Report on the Administration of the District Funds of the Kadur Local Fund Circle for the year 1896-97, received with the President's letter No. 384, dated 22nd November 1897.

No. 8161-72—L. F. 63-97, DATED BANGALORE, 12TH JANUARY 1899.

ORDER THEREON.—Including the actual balance of Rs. 16,570 on 1st July 1896, in favor of the District Funds of the Kadur Circle, the amount available for expenditure during the year 1896-97 was Rs. 68,006, while a sum of Rs. 68,077 was spent, leaving a debit balance of Rs. 71 at the end of the year.

2. The large decrease in the income from local cess is attributed to the revision of assessment on areca gardens in Koppa and Yedahalli and the diminished sayer revenue realized from a diminished supari crop. The decrease under "Contributions" was due to the fact that the amount payable by the Sringeri Matt towards the maintenance of the dispensary at that place was not received and adjusted till after the close of the year, and that the annual contribution of Rs. 500 payable by the planters towards the dispensary at Sollebile was waived by Government. The other large item of decrease was due to the smaller number of cattle impounded. The increase under "Miscellaneous" was chiefly caused by the refund of excess amounts of imprests held by Amildars.

3. The expenditure for the year on works undertaken by the Public Works Department is shown as largely in excess of the expenditure for the preceding year and also of the budget grant. This was because of the debit to District Funds of a sum of Rs. 11,652 (as well as establishment charges thereon) on account of the extension of the Bababudan Hill road by cutting a bridle path from the 16th mile, though the budget grant was only Rs. 250. The request of the District Fund Board that the charge should be transferred to Local Funds General, has since been sanctioned by Government.

4. The other works undertaken by the Public Works Department from District Funds consisted chiefly of the repairs of roads, travellers' bungalows, inspection lodges, &c. All the roads are reported to have been maintained in trafficable order.

5. The works executed by the Revenue Department consisted mainly of a few well works and of repairs to musafirkhanas, cattle pounds, &c. The entire cost was just over a third of the allotted grant, the rest having been allowed to lapse.

6. The progress on works executed from Local Funds General was satisfactory in the case of the Public Works Department, who utilized nearly the whole of the amount (Rs. 4,297) placed at their disposal; but this cannot be said of the execution of works by the Revenue Department, who allowed Rs. 4,598 to lapse out of the allotment of Rs. 7,648.

7. The fluctuations in civil charges were chiefly the result on the one hand of increased dispensary charges and larger contribution towards the construction of dispensary buildings, and on the other of the savings effected by the conversion of seven 3rd class travellers' bungalows into bungalows of the 1st or 2nd class, and the non-entertainment of sweepers in certain places, owing either to the establishment of municipalities at those places or to the difficulty of obtaining the services of sweepers.

8. The increase in the number of patients treated testifies to the growing usefulness of the dispensaries in the district.

9. The work done by the midwives and the vaccinators in the district cannot be regarded as satisfactory. The attention of the Senior Surgeon will be drawn to the facts referred to in paras 40, 41 and 47 of the report.

10. The number of deaths from various causes was 3,554, which is 45 in excess of that of the previous year. Nineteen deaths were due to cholera; the mortality from small-pox increased from 56 to 259, but there was a small decrease under most of the other heads.

2. In spite of a decrease of Rs. 7,813 under Local Cess, due to reduced revenue collections, and of smaller decreases under other items of a fluctuating character, the aggregate income was largely in excess of that for 1895-96, owing

to the fact that Government refunded to the District Board the large sum of Rs. 57,416 expended on the western malnad roads in previous years.

3. Turning to expenditure, it is observed that the Public Works Department was responsible for an increase of over Rs. 10,000, and the Revenue Department for an increase of about Rs. 1,500.

The original works executed by the former Department consisted of the extension, metalling or improvement of about eleven important roads, the extension of the wings to the Haridravati river bridge, &c. The outlay on repairs had reference chiefly to the 449 miles of Local Fund roads in the district. About a seventh of the grants or Rs. 14,453 was left unutilized.

The works undertaken by the Revenue Department were chiefly the construction and repair of wells, musafirkhanas, cart-tracks and cattle-pounds. The lapses amounted to Rs. 6,247 or more than half of the sanctioned grant. The reason should have been explained. The progress of works undertaken from Local Funds, General, was equally unsatisfactory as may be judged from the fact that the total expenditure on new works amounted to Rs. 1,629 only as against a grant of Rs. 14,332 and estimates sanctioned for Rs. 10,259, and on incomplete works of the previous year only to Rs. 362 as against a grant of Rs. 2,879. The President is requested to arrange for the prompter execution of works in future.

4. The causes of the more noticeable variations under Civil Charges were—the increments given to compounders and charge allowances given to certain Hospital Assistants; the appointment of a relieving midwife and the supply of instruments to midwives; the revision of the establishments of travellers' bungalows which resulted in lightening the burden on District Funds to an appreciable extent; the payment of a contribution of Rs. 1,000 towards the construction of a dispensary building at Chanmagiri, and reduced Sanitary charges.

With regard to this last, it is observed that the President has not furnished any information as to the nature of the sanitary charges incurred, and why the actual expenditure was less than half of the sanctioned grant. Nor have the sanitary condition and prospects of the district been anywhere alluded to, a singular omission in a District Fund Administration Report.

5. The work done by the midwives and vaccinators is reported to have been fairly satisfactory. But out of 2,000 villages more than 50 per cent were left unvisited by the vaccinators, and the work of itineration therefore cannot be considered satisfactory.

6. There was an increase of 1,306 in the total number of deaths (9,062), due chiefly to increased mortality from fevers, bowel complaints and small-pox.

7. The attendance of members was somewhat better than during the previous year.

No. 8607-18—L. F. 62-97, DATED BANGALORE, 24TH JANUARY 1899.

ORDER THEREON.—Government regret to observe that there has been very great delay in the final submission of this report, which has been the last of the Municipal reports to be received in this office.

2. The financial condition of the municipalities in this district is shown by the following figures:—

3. There was a falling off by about Rs. 500 in the Octroi receipts from cloth, and a net increase of Rs. 1,070 in those from other articles. The fluctuations in the remaining items are unimportant.

4. The uncollected arrears of House and Mohatarfa taxes at the end of the year amounted to the large sum of Rs. 8,502, or over 23 per cent of the aggregate demand. The outstandings were particularly heavy in the municipalities of Shimoga and Shikarpur.

5. The largest items of expenditure related, as usual, to Conservancy and Public Works. The increased outlay in these and other directions was necessary for more efficient municipal administration, and does not call for detailed notice.

6. The number of births increased from 758 to 894 and of deaths from 659 to 702. There was only one death from cholera as against 31 in the previous year, but the mortality from fever increased from 279 to 325.

7. The work of the vaccinators continued to be as unsatisfactory as it was in the preceding year, the number of persons vaccinated, *viz.*, 796, bearing a very inadequate proportion to the large population in municipal towns.

8. The midwives did better work, having attended 584 labor cases or 152 over the number for the previous year.

9. The remarks on the sanitary condition of municipal towns are too general and meagre to convey much information on this important subject. Future reports should contain greater details.

10. The sum of Rs. 2,585 shown under "X Education" is on account of grant-in-aid to Vernacular schools and contributions to English schools in municipal towns, while the sum of Rs. 3,262 shown under "IX Charitable grants" is on account of the municipal share of the menial establishments of the Local Fund dispensaries and of the cost of constructing dispensary buildings, as well as the salaries of peons to vaccinators and midwives in municipal towns.

3. The increase under "Mohatarfa," in spite of the abolition of the loom-tax, is attributed to better collection, and that under "Tax on houses and buildings," partly to that cause and partly to the increase in rental values and the springing up of new houses in the extensions of the town. There was also an increase under "Contributions," chiefly due to the cause already explained. On the other hand owing, to a smaller demand and smaller collection under refunds and recoveries, there was a large decrease under "Miscellaneous." Out of a total demand of Rs 1,91,237-4-3 (including Rs. 39,515-7-11, being arrears which remained uncollected on 1st July 1896), a sum of Rs. 245-8-0 was remitted, and Rs. 1,67,808-3-3 was collected, leaving an outstanding balance of Rs. 23,183-9-0. Nearly 36 per cent of this sum was on account of arrears of previous years, and 64 per cent on account of the taxes due for the year under review. It is of the utmost importance that the collections should be completed within the year so as to avoid accumulation of large balances, which, if allowed to lie over, not only open a wide field for abuse, but in most cases become almost irrecoverable. The President should direct his utmost attention to this point and see to the work of collection being conducted vigorously and without delay.

4. The main heads of increased expenditure were the following:—

"Head office," on account of additional payment towards the salary of the full-time President:

"Conservancy," in consequence of additions to the strength and pay of the establishment:

"Lighting," on account of an increase in the number of lamp-posts maintained:

"Public Works," owing to a large outlay on special repairs of roads, and compensation in connection with lands acquired for widening roads and lanes:

"Sanitation of the City," being expenditure on Miscellaneous sanitary improvements executed from the special grant for the plague:

"Charitable grants," owing chiefly to increased expenditure on hospitals and dispensaries, chattrams, and pay of midwives:

"Education," owing to improvement in the salaries of masters in English and Kanarese Schools, and payment of increased grants-in-aid.

5. Revised Election Rules were framed by Government in November 1896; the lists of voters and of persons eligible for Municipal Commissionership were revised in accordance therewith; and the first election under those Rules was held during the year, and approved by Government.

6. Twelve ordinary meetings and one special meeting (to adopt a congratulatory telegram on the occasion of the marriage of the First Princess) were held by the Municipal Commissioners during the year. The attendance of ex-officio members (excluding the President) which was already below the mark in former years, showed a still further falling off during the year and was represented by 2·06 out of a strength of 6. It is much to be wished there will be an improvement in this respect. The number of sub-committees appointed was 11 which considered, among other matters, the desirability of introducing the tramway into the Bangalore City, the question of extending the Octroi duty to additional articles of consumption, and the introduction of a scavenging cess and house sanitation bye-laws.

7. The western and northern extensions of the city now known as Chamarajendrapete and Sheshadripuram, were brought within Municipal limits and a revised description of these limits published in the *Gazette*.

8. The Government regret to note that the introduction of revised rates of Municipal taxes under the general revision ordered in 1891 has not yet been carried out in certain divisions. This should be effected as early as possible and a report of the fact submitted in due course.

9. The population of the Bangalore town was, according to the last Census, 80,285. Comparing this figure with the revenue derived from taxation proper (items 1 to 6 in statement appended to para 2 of this Review), the average incidence per head of population is Rs. 1-6-0 and the incidence of Octroi alone per head is Re. 0-5-6.

10. The number and proportion per thousand of births and deaths during the years 1894-95, 1895-96 and 1896-97, were as follows :—

Details.	Number during—			Proportion per thousand.		
	1894-95.	1895-96.	1896-97.	1894-95.	1895-96.	1896-97.
Births	2,073	1,951	1,942	25·82	24 30	24 18
Deaths	1,116	1,374	1,161	17·63	17 11	14·46
Small-pox	18	222	25	...	...	...
Cholera	2	15	35	...	...	...
Fevers	118	316	311	...	...	...

The steady diminution in the mortality is a matter for satisfaction.

11. The Epidemic Diseases Regulation and the subsidiary Regulations passed thereunder armed the Municipal authorities with special powers for the effectual prevention of the bubonic plague; and the various measures decided upon are described in paras 85 *et. seq.* of the report. Among measures actually carried out were the extension of the daily conservancy system to 1,400 additional houses, and the filling up of 940 cess pits. The introduction of the Municipal scavenging system and of house sanitation bye-laws and the appointment of a special certificated Sanitary Inspector are the events that belong to the current official year.

12. The unsatisfactory condition of roads and lanes under the charge of the Municipal Commission was noticed by Government in the Review for 1895-96. The present report shows that increased expenditure has been incurred in their repair.

13. The two great desiderata for the town of Bangalore are a good system of drainage and of water-supply. The latter is now an accomplished fact. The question of drainage is now engaging the attention of Government, and has to be disposed of by gradual and progressive modification and extension.

No. 8959-69—L. F. 105-95, DATED BANGALORE, 31ST JANUARY 1899.

ORDER.—Government are pleased to prescribe the following modified Rules regarding pensions and gratuities to Municipal servants in supersession of the Rules prescribed by Proceedings No. 170-80—L.F. 105-95, dated 4th July 1898.

I. All employes on the permanent establishment of Municipalities in the Mysore State shall be eligible for pensions and gratuities, except the following—namely, Shanbhogs with hereditary *inams*, totis, sweepers, watchmen, coolies, khalihats, cooks, watermen, dhobies, gardeners and pound-keepers paid by commission, medical pupils and pupil teachers. Such pensions and gratuities shall be paid by the respective Municipalities and charged to their Funds.

II. Servants belonging to any Department under Government but transferred to the service of any of the Municipalities in the State, or *vice versa*, shall be eligible for pensions and gratuities, payable from General Revenues and the Funds of the Municipality concerned, according to the rule of proportion.

III. Employes whose pay is borne by more than one Municipality, in shares, shall be eligible for pensions and gratuities, payable from General Revenues, to which shall be credited a contribution equal to one-ninth of their pay levied from the Funds of the Municipalities, according to their shares. The recovery of contribution from the several Municipal Funds shall be effected at the close of each official year.

IV. No deduction shall be made from the pay of any employe on account of pension or gratuity.

V. All claims to pensions and gratuities, and all other matters connected therewith, shall be determined according to the provisions contained in the Mysore Service Regulations.

ORDER THEREON.—With the letters read above, the Deputy Commissioners of Districts submit statements showing the final disposal of applications sanctioned by Government for the grant, for cultivation and other purposes, of gomal lands during the quarter ending 30th June 1898, of which the following is an abstract:—

No.	Districts.	Total No. of applications sanctioned by Government, awaiting disposal at the beginning of the quarter.	Sanctioned during the quarter.	Number of darkhasts in which possession of land was made over to the applicant or purchaser.	Number of applications pending further disposal by the Deputy Commissioner, at the end of the quarter.	Relating to the years.

2. The number of applications pending further disposal in the Mysore district is very large and calls for early action. In the Kadur district, old applications relating to the years 1889-90, 1891-92, and 1893-94 are pending disposal. These applications will, it is hoped, be disposed of without further delay.

3. In the statement submitted by the Deputy Commissioner of Chitaldrug, the applications pending at the beginning of the quarter have been shown to be 2, and the number sanctioned during the quarter is stated to be 1, the total number being 3. Of these, no applications have been shown to be disposed of, but the balance is shown to be only 2, one relating to 1896-97 and the other to 1897-98. This discrepancy requires explanation.

Docket No. 21, dated 14th September, and letter No. 34, dated 18th November 1898, from the Superintendent of Inam Settlements in Mysore :—

Docket No. 21.

With reference to Government Official Memorandum No. 2012—R. 812, dated 10th instant, has the honor to state that this is the first time the question, discussed under Subject No. 219 of the Dasara Assembly Proceedings, has been referred to this Department.

2. The assessment of Inam Supari gardens has been revised by the Survey Superintendent and noted, but not given effect to.

3. The reduction of the assessment on Inam Supari gardens would benefit the holders only in the matter of local cesses, the jodi and quit-rent remaining unaltered.

4. The data for reduction are ready to hand, and the orders of Government are awaited.

Letter No. 34.

I have the honor, with reference to your Docket General No. 3030—R. F. 44-92, dated 19th October 1898, to report further upon the question of the applicability of the order about the reduction of assessment on Supari garden, to Devadaya and Brahmadaya Inams.

2. There are, so far as I can see, but two points in which the reduction of the assessment on Supari gardens can affect Inamdars. The first is as regards the calculation of local cesses; and the second is with regard to the privilege which has been conceded to Inamdars of paying the survey assessment, should it be lower than the combined quit-rent.

3. In the Proceedings of Government No. 1888-90—R. F. 44-92, dated 19th August 1896, the reduction of assessment is, at para 5, spoken of as temporary remission and elsewhere as a reduction of assessment. I think that, for the purposes mentioned in para 2 above, the latter view may be accepted.

4. The revenue authorities have been furnished with lists of all survey numbers, whether Government or Inam, in which reduction of assessment has been allowed. If it be directed that the supplementary akarband, thus furnished by the Superintendent of Survey, to the Revenue authorities, as described at para 8 of Survey Superintendent's letter No. 854 of the 25th January 1897, be followed in dealing with Inam lands, that seems to me to be all that is necessary.

No. 4532-41—R. F. 44-92, DATED BANGALORE, 5TH JANUARY 1899.

ORDER THEREON.—In Government Proceedings No. 1888-90—R. F. 44-92, dated 19th August 1896, sanction was accorded to the reduction of assessment on the Supari gardens mentioned above. At the Representative Assembly Meeting of 1897, it was urged that the above order should be made applicable to Devadaya and Brahmadaya lands also. Government observe that, as stated by the Superintendent of Inam Settlements, what has to be remitted in the case of Inam gardens is firstly the local cess on the amount of reduction of the survey valuation of such gardens and secondly the excess, if any, in individual cases of combined quit-rent, over the revised survey valuation; and accordingly direct that the suggestions of the Superintendent of Inam Settlements, contained in para 4 of his letter read above, be carried out.

No. 4934-43—R. 2235, DATED BANGALORE, 21ST JANUARY 1899.

ORDER THEREON.—At the Meeting of the Dasara Representative Assembly of 1896 certain members brought to notice the hardship entailed upon the raiyats concerned by payment of ¾ths of wet assessment on certain lands in the Channagiri taluk which were irrigated by means of pits dug in the beds of small jungle streams in the hot season and baling water therefrom, and requested that,

as the raiyats did not use the stream water during the rainy season, the wet rate charged on the lands might be abolished, and a small water cess imposed in addition to the dry assessment.

2. The Deputy Commissioner of Shimoga, from whom a report was called for, stated that, as per Government Proceedings No. 8660-8—R. 1284, dated 28th November 1894, wet assessment was being levied on such lands at the rates authorized in Rule XIX of the Land Revenue Rules.

3. The Superintendent of Revenue Survey, whose opinion in the matter was thereupon invited, stated that the Government Proceedings referred to by the Deputy Commissioner was in respect of running water of jungle streams and had no connection with the subject under reference, and that the lands irrigated in the manner above described should be liable to pay some extra assessment, though $\frac{3}{4}$ths of the wet rate levied hitherto was far too high. This opinion of the Survey Superintendent having been communicated to the Deputy Commissioners of Districts for their views on the subject, the Deputy Commissioners of Kadur and Mysore state that there are no instances of such cultivation in their districts, while the Deputy Commissioner of Hassan reports that no extra water rate is charged for the use of water from wells dug in any stream or channel which is not used for irrigation purposes. The Deputy Commissioner of Shimoga, however, states that the lands cultivated in his district in the manner above stated comprise a small area of 35 acres and 34 guntas, and that the nallas in whose beds pits are sunk are all jungle streams flowing only in the rainy season, and recommends the levy of a uniform rate of one rupee per acre on such lands. The Deputy Commissioner of Chitaldrug reports that water rate is levied in such cases in his district but that it should be discontinued when the streams are not perennial and not of much importance. The Deputy Commissioner, Bangalore, states that there are a few instances of the kind in the Magadi and Kankanhalli taluks and that no extra assessment is levied therefor. He is in favor of a water rate being levied on such lands as the streams and the water therein are Government property. The Deputy Commissioner of Kolar recommends the levy on such lands of the minimum water rate prevailing in the neighbourhood, and the Deputy Commissioner of Tumkur states that when Government water is used for irrigation, whether the water is from a tank or stream (big or small) a wate rater may be levied having due regard to the trouble and expense to which the occupant is put and to the quantity of water used.

4. Government agree with the Superintendent, Revenue Survey, in considering that $\frac{3}{4}$ths of the wet assessment is too high a rate to be charged on such lands. The rate of one rupee per acre proposed by the Deputy Commissioner of Shimoga comes to about one-half of the wet rate, while the labor involved in digging wells and lifting up the water and then taking it to the land is very great, these laborious processes being evidently required to be repeated every year. Under these circumstances, Government consider that the additional imposition should be such as to mark the exercise of the right of Government in such water, and accordingly direct that one-fourth of the rate adopted for the use of running water in jungle streams be adopted in the cases in question.

No. 5004-11—R. 2561, DATED BANGALORE, 25TH JANUARY 1899.

ORDER THEREON.—The subjoined statement, compiled in this office, exhibits the manner in which the district jamabandi work, for the current year 1898-99, is proposed to be distributed between Deputy Commissioners and their Assistants.

2. The Deputy Commissioners of the Tumkur and Chitaldrug districts do not state what arrangements they would make for the discharge of Treasury work during the absence of the Treasury Assistant Commissioners on jamabandi work in taluks other than the district head-quarter taluk.

3. The Deputy Commissioners of the Tumkur, Mysore, Hassan, Kadur and Chitaldrug districts have not reported the probable date on which the jamabandi work is likely to be completed, and their attention is drawn to the instructions contained in Government Proceedings Nos. 5922-30—R. 2029, and 6062-9—R. 1975, dated 23rd December 1896 and 7th January 1898, respectively. The delay which has been allowed to occur in the districts of Mysore, Shimoga and Hassan in commencing the jamabandi should have been avoided. The Deputy Commissioners of these districts are requested to push on with it without unnecessarily hurrying it, which will be the inevitable result of commencing it too late.

4. The attention of the Jamabandi Officers is invited to the instructions conveyed in para 4 of Government Proceedings No. 2594-601—R. 954, dated 5th September 1896.

Proceedings of the Government of Mysore,

READ—

Correspondence ending with letter No. D. 519, dated 16th November 1898, from the Deputy Commissioner, Bangalore district.

No. 4843-51—R. F. 44-97, DATED BANGALORE, 18TH JANUARY 1899.

ORDER THEREON.—In Government Proceedings No. 4416-19—R. F. 44-97, dated 18th November 1897, the establishment of an Agricultural Bank at Attibele, Anekal taluk, Bangalore district, was sanctioned. The maximum amount of loan of all descriptions to be granted to a member, both on his own account and on account of other members on his security, was fixed at Rs. 4,000. But in contravention of this order, one Ramaswamaiengar, a member of the Bank, was given a loan of Rs. 6,000, both for himself and his brother, on the security of their properties. The members of the Bank explained this to have been allowed in order to enable the said Ramaswamaiengar and his brother to clear the full amount of debt existing on their properties and in consideration of the security offered being sufficient. They now propose that the maximum amount of loan to be granted to a member, and to other members on his security, be raised from Rs. 4,000 to Rs. 6,000. The Inspector of Agricultural Banks recommends that this prayer be granted and the Deputy Commissioner concurs with him.

2. The proposal made does not commend itself to Government. The members of the Bank should be informed that the irregularity noticed above cannot be condoned. The excess amount borrowed by Ramaswamaiengar should be recovered at once and the fact reported for the information of Government.

Letter No. 499, dated 30th November 1898, from the Deputy Commissioner, Mysore district, submitting, with reference to Government Proceedings Nos. 2122—R. F. 81-95 and 2788-9—R. F. 81-95, dated 12th September and 5th October 1898, respectively, information regarding the foreclosure of Saucar Veeranna's mortgage of the Mysore Weaver Lines with a valuation thereof, and recommending the grant of one block, consisting of 9 houses, to Veeranna, the rest of the property being accepted in full discharge of his debt to Government.

No. 4968-9—R. F. 81-95, DATED BANGALORE, 23RD JANUARY 1899.

ORDER THEREON.—The property mortgaged to Government by Saucar Veeranna is estimated by the Deputy Commissioner at Rs. 36,400 as follows:—

	Rs.
165 houses and 3 shops (some of which have not yet been roofed in) ...	34,400
Building materials at site	2,000
Total	36,400

The above estimate does not include the land which was a free grant from the Government for the purpose of the weaving industry. The balance of Saucar Veeranna's mortgage debt is Rs. 52,000, together with interest from 1st July 1898.

The Deputy Commissioner reports that the mortgaged property if sold by public auction is not likely to realize the balance due to Government, and Saucar Veeranna himself begs that the property may not be sold but that the Government may be pleased to cancel the entire debt, taking over in liquidation thereof the whole of the mortgaged property, with the exception of 17 houses which he prays may be given him, or without any such exception should the Government decline to give him the 17 houses he asks for.

In the opinion of the Government the Deputy Commissioner's valuation of the property at Rs. 36,400 is a very liberal one. By accepting this property in full discharge of the debt of Rs. 52,000, the Government will be granting the Saucar the very large remission of Rs. 15,600, besides foregoing the whole of the interest on the amount advanced to him. The Saucar's prayer for a still further concession, in the shape of giving him 17 of the houses, is most unreasonable and cannot be granted.

When the Dewan was at Mysore recently, Veeranna was offered, in the presence of the Deputy Commissioner, full value of what the property actually cost him according to his own accounts, but Veeranna pleaded he was unable to produce any accounts.

It is probable that Veeranna has suffered some loss, owing to his inability to recover the advances he made to the weavers he imported from time to time ; but he cannot look to the Government for recouping him for this loss nor can he be allowed to transfer to the Government a portion only of the mortgaged property, at a valuation far above its original cost to him as well as above its present value in the market.

Under such circumstances the Government direct that the entire property, including the houses and shops (both roofed and unroofed), materials at site, and the whole of the land belonging to the weaver lines, be taken over in full discharge of the debt due by Veeranna. The Deputy Commissioner will at once obtain a proper conveyance of the entire property to the Government and cause the same to be duly registered.

The unroofed houses and shops should have thatched roofs put upon them, and the repairs necessary to the whole of the buildings should be at once carried out.

The blocks required for purposes of the Plague administration should be set apart for that purpose. The Deputy Commissioner will, in his discretion, allow present tenants to continue on reasonable rents. Other blocks should be leased for monthly rents to persons wishing to occupy them, taking due precaution against the possible importation of infection by such tenants.

All transactions should be entered in a separate account, "Mysore Weaver Lines." The rents from the Plague Department and from private tenants should be separately credited to this account. It should be charged with Rs. 52,000, the price paid for the property, and with any sums expended in the repair and improvements above directed. Proper care-takers should be employed and their pay should be charged to this account.

The Government will be prepared to dispose of the entire property by blocks, should there arise a demand for it. The Deputy Commissioner is requested to bear this especially in mind and not to miss suitable oppurtunities for sale of the property in convenient blocks.

Letter No. 223—41, dated 26th December 1898, from the Inspector of Agricultural Banks in Mysore, submitting through the Deputy Commissioner, Tumkur district, a Memo on the inspection of the Agricultural Bank at Rampura, Koratagere sub-taluk, Tumkur district.

No. 5097-105—R. F. 110-97, DATED BANGALORE, 28TH JANUARY 1899.

ORDER THEREON.—Recorded with the following observations :—

Inspector's Remarks.	*Observations.*
2. * * * *	
The Bank office has recently been shifted from the registered locality to another place. This fact has at once to be reported to the Registrar of Joint Stock Companies in Mysore.	This ought to have been done without delay.
Cash Book.	
5. Balances used to be struck every day and signed by the President alone. The Directors were asked to have the balance struck at the end of each month and to get the signatures of both the President and the Agent.	The omissions should at once be supplied.
Ledger.	
6. This book was not posted. Instructions were given to the Agent as to its posting. He was directed to bring it up to date and report.	The Amildar should at the earliest opportunity satisfy himself that this has been done.
Receipt Book.	
7. Receipts for payment of loans from the Bank are taken on slips of paper. The Bank authorities were directed to open a book and take signatures in it for all payments.	Ditto
Examination of documents.	
8. The following members have not produced the discharged bonds for the amounts shown against each of them :—	

Name.	*Amount.* Rs.	a.	p.
Nanni Sabi	100	0	0
Sinappa . .	300	0	0
Krishnabhatta	75	0	0
Ramaiya	200	0	0
Armagappa	100	0	0
Ramanappa	137	8	0

These have been ordered to produce the bonds and lodge the same in the Bank office at an early date.	Ditto
Shanbhog Hampannaiya has hypothecated to the Bank a piece of wet land (26 guntas in extent) already hypothecated to a merchant. He was ordered to redeem the first hypothecation at once.	Ditto
Some survey numbers that have been hypothecated to the Bank by the members are in the khata of others. The Board of Directors have been ordered to obtain the written consent of the khatedars where necessary and file the same in the Bank office.	Ditto

9. * * * *

Taking the fact that the lands offered as security were worth Rs. 12,000 at any time, and the previous encumbrances that had to be discharged into consideration, I recommended Rs. 8,000 being sanctioned, but the Deputy Commissioner reduced the same to Rs. 6,500. There is a large tank at Rampura. Owing to the insufficient supply of water in it the crops were precarious in the past years. Now that the Government have spent Rs. 25,000 and diverted the water of the Jayamangala River into the tank by excavating another feeder channel, the value of the wet lands has considerably gone up. Under these circumstances, it is necessary to increase the advance by at least Rs. 2,500, so as to enable the Bank to pay up the remaining liabilities and place its affairs on a better footing.

The matter should be separately reported for the orders of the Government.

FOREST

Proceedings of the Government of Mysore.

READ AGAIN—

(1) The following letter No. 836—54, dated the 26th August 1898, from the Conservator of Forests in Mysore.

I have the honor to submit, for orders of Government, the settlement record of the Muthodi State Forest extension and the Kagemanegiri Forest in the Chikmagalur taluk of the Kadur district, proposed, settled and preliminarily demarcated prior to constitution as State Forests, and to request that, if approved, the accompanying boundary statements of those two forests may be notified in the *Gazette* at an early date. I beg to submit also the marginally noted papers with the request that the alienation of gomal and assessed lands taken up for inclusion in the proposed State Forests may be sanctioned by Government.

(1) Register of complaints of raiyats in connection with the settlement of the forests.
(2) Alienation statement of assessed lands.
(3) Statement of gomal lands taken up.
(4) A rough sketch of the forests.

2. I beg to bring to the notice of Government that, in the settlement of the forests under reference, I have endeavoured with the assistance of Mr. Weir, late Deputy Commissioner, Kadur, who always took much interest in forest matters, to secure a more thorough and methodical enquiry and settlement than has been customary in Mysore, at all events, in recent years, in which connection the marginally noted correspondence is forwarded for information of Government. The District Forest Officer, Mr. Hira Singh, objected to certain settlements arrived at by the Forest Settlement Officer, (General Assistant Commissioner, Mr. Kumarasami Naik,) and moved the Deputy Commissioner for a revision. Mr. Weir, finding that there were no enactments or rules to guide forest settlements in Mysore, and not being sure of his authority to interfere in the matter, asked me for instructions as to whether the decision of the Settlement Officer was final or whether the Deputy Commissioner can entertain any appeals against such decisions either from the villagers concerned or from the District Forest Officer and revise them. I replied that, in my opinion, the Deputy Commissioner was quite competent to hear and decide such appeals in the interests of both the villagers and the Forest Department, and that in the absence of definite rules having the force of law, we should act under the spirit of the Mysore Administration and be guided by expediency. Mr. Weir was pleased to accept my views and disposed of the appeals accordingly. Such difficulties will be removed when my draft Forest Regulation before Government is approved and brought into force.

(1) No. 1135 of 3rd February 1898, from Deputy Commissioner, Kadur.
(2) No. 3822-184 of 11th February 1898, to Deputy Commissioner, Kadur.
(3) No. 397 of 28th February 1898, from Deputy Comr., Kadur.

Meanwhile, I beg to suggest that, pending the introduction of the Forest Regulation, the principles and procedure of forest settlement, which I have endeavoured to explain to Mr Weir, in my letter No. 3822-184 of 11th February last, may, if approved, be communicated to all Deputy Commissioners for their information and guidance.

ENCLOSURE TO THE ABOVE.

No. 3822-184, dated 11th February 1898, from the Conservator of Forests, to the Deputy Commissioner, Kadur.

In reply to your No. 1135 of 3rd instant (enclosures returned separately), I have the honor to inform you that, as you correctly surmise, there are, so far as I am aware, no enactments nor rules in regard to forest settlements in Mysore, and we must therefore, I think, be guided by practice.

2. This I found, on taking charge from Mr. Ricketts, to be as follows:—

The Forest Department submitted to the Deputy Commissioner proposals for reservation. He referred them to an Assistant who was styled the "Forest Settlement Officer," who conducted an enquiry and reported his opinion to the Deputy Commissioner, who in his turn recorded his and forwarded the papers to the Inspector General of Forests with a boundary statement, &c. Unless very serious objection was taken to the proposals, Mr. Rickett's custom was to submit the papers to Government with a draft Notification under Sections 1 and 9 of the Forest Rules of 1878, which was, as a rule, accepted and published without any reference to the Forest Settlement Officer's or Deputy Commissioner's remarks, and

the area became "State Forest," the so-called Settlement Register, which it will be observed, merely contained opinions or suggestions without any final orders by competent authority, being regarded in some measure as a record of admitted rights, to which however no reference was made in the Notification. So much was the whole thing a matter of form that Mr. Ricketts latterly contented himself by notifying the reservation under his own signature in Part II of the *Mysore Gazette*, on which the areas were classed and treated as "State Forests."

Seeing that this, at all events, was irregular, I have excluded such areas from the list of "State Forests" until re-notified by Government.

3. Pending a revision of the Forest Rules (which have the force of law) to which the Dewan appears to entertain objections, I have, as you are aware, been doing my best to introduce some uniformity of procedure with regard to Forest Settlements and record of admitted rights on the lines adopted in British India. I take it for granted that the Mysore Government or Chief Commissioner have at sometime ordered that there should be a preliminary enquiry by a Revenue Officer before a State Forest is constituted, and that the proceedings of the Officer holding it shall be subject to revision by the Deputy Commissioner of the district and approval by Government, with the advice of the Inspector General or Conservator of Forests before them.

Such revision may, as you suggest, be under the general powers conferred by Sections 210 to 218 of the Mysore Land Revenue Code. Anyhow, there is no doubt it has been the practice which should, I think, be continued till the law is amended.

4. In the case of the Kagemanegiri and Muthodi extension settlement, I endeavoured with your assistance to secure a more thorough and methodical enquiry than has been customary and a definite order of the Forest Settlement Officer on each claim preferred or matter affecting the proposed reservation which came to his notice during the progress of the settlement. I consider that each claimant or person affected by such order has a right of appeal to you, and that in like manner the District Forest Officer or other Forest Officer representing the interests of Government in the Forest Department at the settlement has such right of appeal. This is in accordance with the law and practice in Madras and elsewhere, which is of course not binding on us in Mysore. But you will, I am sure, readily admit that it is only fair and equitable that both sides, so to speak, should have the same position and advantages.

5. In my opinion, therefore, you are, as Deputy Commissioner, authorized and called upon, if only by precedent, to entertain such appeals or objections and Mr. Hira Singh is justified in submitting his note for such considerations and orders as you may deem fit. Like yourself I refrain from any comment or expression of opinion on the merits of the objections and would only remark that, whilst under an adequate Forest Law and Rules for procedure such as exist in British India, the Forest Settlement Officer's duty is confined to rejecting or admitting claims as of right and in the latter case providing for their exercise by altering the boundaries excluding areas affected as "enclosures", &c., or extinguishing them by acquisition or compensation, we must here in the absence of such law and rules be guided chiefly by expediency, endeavouring to secure compact blocks of forest with good natural boundaries with the least possible encroachment on the privileges and prejudices of the people.

6. Speaking generally, I would say in connection with Mr. Hira Singh's objection as summarized in your para 5 that—

(1) lands which have been under coffee or other cultivation ought to be excluded either by revision of boundaries or demarcation as "enclosures;"

(2) areas should not be excluded for grazing unless those already set apart for the purpose at survey settlement and other waste lands are manifestly inadequate, as one of the objects of reservation is to secure a reserve of fodder for the future; and that

(3) due regard should certainly be had to the relative position of the lands or survey numbers affected, and if the exclusion of any injuriously affects the protection of others by rendering the boundary irregular and difficult to fire trace and patrol they should not be excluded without very good and sufficient reasons. From a cursory perusal of the papers, it appears to me that no rights except those of way (the width of which and whether for carts or only for men and cattle should as remarked by the District Forest Officer be specified) were substantiated and that anything granted is really a concession.

7. If this is so it should not be difficult, with the maps before you and the District Forest Officer to explain them and the nature of his objections, to decide between him and the Forest Settlement Officer, giving due weight to the fact that the latter had the objections in view as stated by Mr. Sitaramaiya when he passed his orders and that his settlement appears to have been acquiesced in by the villagers except in two instances in which

the claims are stated not to have been well founded and were therefore rejected. I trust you may be able to accept the above views and my suggestions as to revision, &c., and submit the necessary boundary statement, Settlement Register and other necessary documents through me for the approval of Government before you leave the district, failing which there is no saying when it will be done.

(2) Also Para 1 of Government Proceedings No. 3313-5—Ft. F. 39-96, dated 15th November 1898.

No. 4910-18—Ft. F, 39-95, dated Bangalore, 20th January 1899.

Order thereon.—It is observed that in connection with such settlements, the Deputy Commissioners are certainly competent to revise the settlements made by an Assistant Commissioner either at the instance of the raiyats, or of the District Forest Officer, or of their own motion.

The following letter No. 1950—120, dated the 12th December 1898, from the Conservator of Forests in Mysore—

In connection with Subject No. 313 of the Dasara Representative Assembly of 1896 referred for disposal with your Official Memorandum No. 11568—Ft. F. 49-96 of 29th June 1897, I have the honor to submit copy of a letter from the late District Forest Officer, Mysore, with endorsement by the Deputy Commissioner, dated 28th September 1897, and to state that I concur with these Officers that a reduction to six annas per one hundred of small unsplit bamboos (kiribidaru) will suffice.

2. Disposal of the matter has been delayed by subsequent correspondence as to the number which should constitute a cart-load. As this must vary according to circumstances, I think it better, following the precedent of the Raiyats' Privilege Rules (revised), to fix the rate per one hundred only which will be fair to all and approximately the same as that ruling in adjoining British Territory.

3. I enclose a draft Notification for favor of early sanction and publication.

No. 4922—Ft. F, 49-95, dated Bangalore, 20th January 1899.

Order thereon.—Government are pleased to approve of the Conservator's recommendation for the reduction of seigniorage on kiribidaru removed from the District Forests of the Mysore district from Rs. 2-8-0 per cart-load to annas six per one hundred, and accordingly direct that a Notification as hereunder be published in the *Mysore Gazette*.

In modification of Notification Camp No. 2188, dated the 26th March 1887, it is hereby notified that, until further orders, the rate of seigniorage for small unsplit bamboos (kiribidaru) removed from the District Forests of the Mysore district will be annas six per one hundred.

The following letter No. 1998—121, dated 14th December 1898, from the Conservator of Forests in Mysore.

I have the honor to submit copies of Mysore District Forest Officer's dockets marginally noted, together with the enclosures in original to docket No. 199, dated 18th instant, (Amildar's report to be kindly returned for re-transmission to the District Forest Officer) relating to the reservation of a natural sandal area called "Bommenahalli Sandal Reserve" in the Mysore taluk, which has been duly demarcated and fire-protected. This was selected in 1891, by the then Amildar Mr. Mahamed Ali, under the late Inspector General's orders.

No. 403 of 5th January 1898.
„ 199 of 18th November 1898.

2. The original area was estimated at 150 acres but proved to be only 97 acres and 2 guntas when actually measured by the District Forest Surveyor. To this an addition of 22 acres and 38 guntas covered with sandal trees was subsequently made from Manikyapur village in the same taluk. This whole area consists of merely gomal lands of the two villages as shown on the accompanying return and it is reported that the raiyats have more than ample grazing grounds without it.

3. I therefore request that the proposed alienations may be sanctioned and the boundaries as per draft Notification published.

There is only one right of way, a cattle path, which is presumably deducted from the gross extent which is stated to be 120 acres and 3 guntas.

No. 4919-20—Ft. F. 166-95, DATED BANGALORE, 20TH JANUARY 1899.

ORDER THEREON.—The boundary statement referred to in the letter read above will be duly published in the *Mysore Gazette* as desired by the Conservator of Forests.

2. Under Section 9 of the Forest Rules of 1878, the proclamation of the demarcation and boundaries of the reserve should be made in the taluk where the reserve is situated. The Conservator is requested to arrange for such publication.

3. The alienation of the marginally noted kharab and gomal lands in the Mysore taluk taken up for the reserve is sanctioned. It is observed that no inconvenience is caused to the villagers by this alienation as sufficient gomal lands are still left for them.

Petition No. 2855, dated 22nd May 1898, presented by Chikmuniappa, Ramanujaiya, Gangadhara Rao and Vasudeva Rao of Chikballapur, appealing against the order of the Deputy Commissioner, Kolar district, refusing to grant a refund of kandayam for the year 1896-97, on the lands S. Nos. 9 and 11 of Bovinahalli village, Chikballapur taluk.

2. Letter No. 1725—466, dated 28th October 1898, from the Deputy Commissioner, Kolar district, reporting on the above.

3. The records of the case.

On the 26th October 1896, S. Nos. 9 and 11 of Bovinahalli village, Chikballapur taluk, were sold by public auction and knocked down to the highest bidder, Chikmuniappa, (one of the petitioners) who took possession of the lands in January 1897. In February 1897, he complained to the Amildar of obstruction to the supply of water to them. In April 1897 saguvali chit was issued to the purchaser, and, in the following month, the assessment for the year 1896-97 was demanded from him. As this was not paid, the lands were attached and notified for sale. Thereupon Chikmuniappa and the three other petitioners, who claimed to be co-occupants, represented to the Amildar that they were not liable for the assessment for 1896-97, as the saguvali chit was issued late in the year after the cultivation season had passed away. The Amildar informed Chikmuniappa that the other petitioners had no *locus standi*, but that he was bound to pay the kandayam having entered on the lands in January 1897. On appeal by the petitioners, the Sub-Division Officer affirmed the Amildar's order and dismissed the appeal. The petitioners then paid the assessment under protest and two of them (Gangadhara Rao and Vasudeva Rao) appealed to the Deputy Commissioner, who rejected it. Hence the present second appeal to Government.

No. 4453-60—PET. 527, DATED BANGALORE, 2ND JANUARY 1899.

ORDER.—From the petition presented by Chikmuniappa to the Amildar in February 1897, it is clear that he was cultivating the lands then. Under para 17 of Rule XX of the Land Revenue Rules, he is bound to pay the assessment for 1896-97. Moreover, the land was sold to him on the express condition that he should pay kandayam for Durmukhi (1896-97). Although the saguvali chit was issued on 27th April 1897, the purchaser entered upon possession of the lands in January 1897. For these reasons, the claim of Chikmuniappa for remission of kandayam for Durmukhi (1896-97) is inadmissible.

2. As regards the objection urged by Gangadhara Rao and Vasudeva Rao, they must be referred to Sections 77 and 142 of the Land Revenue Code and to the proviso to Section 77. They may separately apply to the Deputy Commissioner for relief under the concluding portion of Section 77 of the Land Revenue Code and Proceedings of Government No. 4777-84—R. 654-92, dated 14th September 1892, and No. 7740 - R. 2602, dated 8th March 1897. They have no *locus standi* in the present appeal or contention of Chikmuniappa. The appeal is rejected accordingly.

3. The Deputy Commissioner's attention will be drawn to the great delay that took place in the confirmation of the sale and the issue of the saguvali chit and he is requested to take departmental notice of the negligence of the subordinate officials in this respect, and to issue stringent instructions to avoid the recurrence of such delays.

No. 4508-15—Pet. F. 47-98, dated Bangalore, 4th January 1899.

Order.—Government deem it necessary to impress on all Revenue Officers he necessity for satisfying themselves, in each case, that the value of the property to be sold has been estimated as fairly and accurately as possible. The insertion of a wrong value or any mis-statement thereof in a proclamation not only affects the jurisdiction of the Officer that may be entrusted with the sale, but is also calculated, as remarked by Lord Hobhouse in a case recently decided by the Privy Council (I. L. R. 20 Allahabad, page 412) to "mislead possible bidders and to prevent them from offering adequate prices or from bidding at all." Moreover any under-statement or misrepresentation of the value of a property in a proclamation would be regarded as a material irregularity affording ground for an application to set aside the sale under Section 184 of the Mysore Land Revenue Code. This should be avoided.

Petition No. 3513, dated 8th April 1896, received from Balepur Subbanna of Devanhalli, appealing against the order of the Survey Superintendent, declining to reduce the assessment on the excess in his inam lands in Gollahalli, Hoskote taluk.

2. Correspondence ending with docket No. 786, dated 30th April 1898, from the Superintendent of Revenue Survey in Mysore.

3. The records of the case.

The petitioner held under three different inam title-deeds certain lands in Gollahalli village, Hoskote taluk. At the Inam Settlement, 7 acres and 23 guntas out of the total area, 10 acres and 38 guntas, were confirmed as inam, and the Survey Superintendent, treating the three cases as one, has located the net excess as specified in the margin, *viz.*, 1 acre and 27 guntas, in Survey No. 35, which is garden and heavily assessed. In his letter No. 100, dated 1st August 1896, Colonel Grant states that the three cases were treated as one, as all the lands were in the possession of one and the same person, and that if Government so direct, the area of No. 35, 4 acres and 12 guntas, can be treated, for the purpose of allocation, as dry land.

Survey No.	Area. A.	g.	Survey assessment. Rs.	a.	p.
34 Dry	0	25	1	0	0
34 Garden	3	24	14	0	0
35 Do	4	12	17	0	0
60 Dry	2	17	4	0	0
Total	10	38	36	0	0
Deduct—Inam confirmed	7	23			
Gross excess	3	15			
Deduct—Fifty per cent allowance under the Rules.	1	25			
Net excess	1	27			

No. 5034-5012—P. F. 50-98, dated Bangalore, 26th January 1899.

Order thereon.—Government consider that as the Inamdar possesses three different grants, he is entitled to be dealt with separately for each inam, the excess being separately charged in each case, a procedure that will materially benefit the petitioner, when the survey valuation of the inam, as in the third case, is less than Rs. 5.

2. Regarding the classification of the excess, Government observe that under Government Order No. 2771-9—64, dated 14th July 1882, the Inamdar is entitled, in cases where encroachment is not proved, to select the portion of the inam which he prefers to retain. Accordingly the excess in this case may be valued at dry rates and located in the dry numbers of the inam.

Proceedings of the Government of Mysore,

READ—

Correspondence ending with letter No. 786—218, dated 19th August 1898, from the Deputy Commissioner, Kolar district, reporting that all attempts on his part to bring about an amicable settlement between the Guru of the Sreepadarayaswami Matt and the Guru of the Majjigehalli Matt in the matter of the latter Guru passing in procession with music in front of the former Matt at Mulbagal have proved futile and therefore soliciting orders of the Government on the subject.

No. 850, DATED BANGALORE, 17TH JANUARY 1899.

ORDER THEREON.—The Government regret that the Deputy Commissioner's attempts to effect an amicable settlement of this long standing dispute between the two Matts have been unsuccessful. The Government must, however, now decline to direct any departure from the custom under which the Guru of the Majjigehalli Matt is not to pass *with processional music* in front of the Sreepadarayaswami Matt at Mulbagal. The Guru of the former Matt can of course pass in procession before the latter Matt, subject, however, to the playing of the music being stopped when the procession passes in front of the main gate of the latter Matt.

2. The Deputy Commissioner will communicate this order to the Matts concerned and give due effect to it.

A. SREENIVASSACHARLU,
Muzrai Secretary.

Correspondence ending with letter No. 567—18, dated 2nd December 1896, from the Deputy Commissioner, Shimoga district, submitting the records *in re* the claim of the Guru of the Bekkinakal Matt otherwise known as the Anantapur Murigé Matt in Shimoga taluk, for the use of the insignia of "Adda Palaki," basing the said claim on the Shimoga Judicial Assistant Commissioner's Judgment in O. S. No. 426 of 1874.

The records of Original Suit No. 426 of 1874 on the file of the Shimoga Judicial Assistant Commissioner's Court referred to above.

No. 849, DATED BANGALORE, 17TH JANUARY 1899.

ORDER THEREON.—As the Deputy Commissioner has, as reported in para 3 of the letter read above, issued a notice to the Bekkinakal Matt prohibiting the future use by that Matt of the insignia of "Adda Palaki," no further orders of Government are now required, beyond a direction that, on all future occasions, the above direction should be duly enforced.

2. The Government cannot accept as binding the decree of the Shimoga Judicial Assistant Commissioner in O. S. No. 426 of 1874. In that case, the Matt sued parties who had no real interest in the matter and succeeded in obtaining a judgment in its favor without contest. It is the policy of the Government to restrict the use of "Adda Palaki" and other royal insignia to persons entitled to use them by express grant from the Sovereign.

A. SREENIVASSACHARLU,
Muzrai Secretary.

To—The Deputy Commissioner, Shimoga District, returning vernacular papers.
